## WORK EXPERIENCE

### **AKQA, New York, NY**

#### **Creative Developer / 1.2013 - Present**

- + Develop a suite of global responsive websites which function across devices, in 18 separate language and location combinations
- + Develop iPad specific web app that took advantage of HTML5 feature set and CSS3 attributes using Agile Development methods
- + Integrate views with PHP content management system using MVC architecture
- + Responsible for client-side code organization using various design patterns
- + Refactor existing CSS using a CSS preprocessor to increase modularity and readability

### **Draftfcb, New York, NY**

#### **Front End Web Developer / 4.2011 - 12.2012**

- + Responsible for the design, user experience, and front end development of both internal and public facing web portals, sites, and business applications
- + Meet with project managers and clients to document business requirements
- + Produce flow charts, wireframes and HTML prototypes for client and sponsor approval
- + Convert interactive wireframes and design compositions to HTML, XML, and CSS
- + Eliminate cross-browser issues to ensure consistent functionality and display

### **Flightpath, New York, NY**

#### **Digital Production Associate / 8.2009 - 3.2011**

- + Sliced and hand-coded HTML websites, email, mobile and web applications, and performed detailed quality assurance testing
- + Produced digital content for national marketing campaigns: websites, email, mobile web and applications, promotional videos, display/banner ads and more
- + Tested, deployed, tracked and analyzed large-scale email initiatives (59 million emails in 2010) through user-triggered, manual and automated processes
- + Worked offsite to support The Daily staff during the production of daily iPad newspaper
- + Tested website usability through multivariate and A/B testing

### **Freelance Web Production and Design**

#### **5.2009 - Present**

- + Design and development for select clients and projects

## EDUCATION

### **University of Wisconsin - Madison, Madison, WI**

#### **Bachelor of Science - Economics / May 2009**

### **School of Visual Arts, New York, NY**

#### **Continuing Education, Graphic Design / Summer 2011**
